

FY 2019 As of Aug 31 Unobligated Balances in Unexpired Accounts
for Executive Branch Agencies Reported on SF 133s

The report on the following pages shows unobligated balances in unexpired accounts for executive branch agencies. The report shows discretionary balances of appropriations; discretionary reimbursable balances; mandatory balances; and, balances in a small number of accounts that have both discretionary and mandatory funding.

The unobligated balances in this report are culled from submissions of agency accounting data to Treasury that underlie the SF 133 Report on Budget Execution and Budgetary Resources. The total unobligated balances for any TAFS on this report agree with the total unobligated balances on the SF 133.

A majority of the TAFSs on this report are, in the context of the Balanced Budget and Emergency Deficit Control Act (BBEDCA), wholly discretionary or mandatory. For accounts with both mandatory and discretionary funding, other information from the most recent apportionment or the President's Budget is used to distribute the balances between the discretionary and mandatory categories. These accounts are footnoted, as follows:

/1 This account is discretionary-mandatory split. The allocation of unobligated balances to the discretionary and mandatory categories was based on information provided in the most recent apportionment for the account.

/2 This account is discretionary-mandatory split. The allocation of unobligated balances to the discretionary and mandatory categories was based on reporting in the President's Budget (P&F Line 1001)
